If the **Schedule of Requirements** provides for receipt of bids through “tender box” the bids shall be submitted accordingly as per the instruction given in the **Schedule of Requirements.**

19.2 The purchaser may at its discretion extend this deadline for the submission of bids by amending the bidding documents in accordance with ITB clause 6, in which case all rights and obligations of the purchaser and bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

20. Late bids

20.1 Any bid received by the purchaser after the deadline for submission of bids prescribed by the purchaser, pursuant to ITB clause 19, will be rejected and / or returned unsigned/unopened to the bidder.

21. Modification and withdrawal of bids

21.1 The bidder may modify or withdraw its bid after submitting the same provided that written notice of the modification or withdrawal is received by the purchaser prior to the deadline prescribed for submission of bids.

21.2 The bidder's modification or withdrawal notice shall be prepared, sealed, marked and despatched in accordance with the provisions of ITB clause 18,A withdrawal notice may also be sent by telex or cable or facsimile, but the same must be followed by a signed confirmation copy, postmarked not later than the deadline for submission of bids.

21.3 No bid may be modified subsequent to the deadline for submission of bids.

21.4 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the bidder in the bid form. Withdrawal of a bid during this interval may result in forfeiture of the Bidder's bid security pursuant to ITB clause 15.7.

E. BID OPENING AND BID VALUATION

22. Opening of bids by purchaser

22.1 The purchaser will open the bids in the presence of bidders representatives, who choose to attend at the time, date and the place specified in the **Schedule of Requirements**.

If the specified date of bid opening is declared a holiday for the purchaser, the bids shall be opened at the appointed time and location on the next working day.

22.2 The representative of a bidder who intends to attend the bid opening, shall bring with him/her a letter of authority from the bidder on the bidder's letter head, duly authorizing him/her to attend the bid opening. In the absence of such a letter of authority, the representative(s) will not be allowed to enter and attend the bid opening. The bidders representatives, who attend the bid opening, shall sign a register (which will be provided by the purchaser) evidencing their attendance.

22.3 The bidder's name, technical specifications of the goods offered bid prices, discounts, the presence or absence of the requisite bid security and such other details as the purchaser, at its discretion, may consider appropriate will be announced at the bid opening.

22.4 The purchaser will prepare appropriate minutes of the bid opening for its official record.

23. Clarification of bids

23.1 During scrutiny and evaluation of bids, the purchaser may, at the discretion, ask a bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

24. Preliminary examination of bids-unresponsive, substantially responsive and responsive bids

24.1 The purchaser will examine the bids to determine whether they are complete, whether the required bid validity is available, whether any computational errors have been made, whether required bid security has been furnished, whether the documents have been properly signed, and whether the bids are generally in order while examining the bides, the purchaser will also keep in view the requirements as per ITB clause 8.

24.2 Arithmetical errors, if any, in a bid will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected accordingly. If there is a discrepancy between the words and figures, the amount in words shall prevail. If the supplier does not accept the correction of such errors, its bid will be rejected.

24.3 Prior to the detailed evaluation pursuant to ITB clause 26, the purchaser will determine the substantial responsiveness of each bid to the bidding documents. A substantially responsive bid is one which conforms to all the requirements and terms & conditions of the bidding documents, including the specification and technical parameters of the goods as projected in the bidding document, without material deviations. Deviations from or objections or reservations to the bidding documents critical provisions, such as those concerning bid validity, technical specification, performance security, warranty obligations, Force Majeure, taxes & duties and applicable law (governing the contract) will be deemed to be material deviations. Bids from an agent without proper authorization from the manufacturer as per ITB clause 13.2(a) shall be treated as non responsive.

The purchaser's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

24.4 The purchaser may waive any minor infirmity, non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

24.5 The conclusion drawn by the purchaser as to the substantial responsiveness or otherwise of a bid or consideration of a minor infirmity of non conformity or irregularity in a bid is final.

24.6 If a bid is determined as not substantially responsive, it will be rejected by correction of the non-conformity.

25. Conversion to single currency

25.1 To facilitate evaluation and comparison of bids, the purchaser will convert all bid prices expressed in the amounts in various currencies in which the bid prices are payable, to Indian rupees at the BC selling market rate of exchange established by the State Bank of India for similar transactions as on the date of bid opening.

26. Evaluation and comparison of bids

26.1 The purchaser will evaluate and compare the bids, which have been determined to be substantially responsive, pursuant to ITB clause 24 **for each schedule separately**. The bid for a schedule will not be considered if the complete ITB clause 10, bidders are allowed the option to bid for any one or more schedule and to offer discounts for combined schedules. These discounts will be taken into account in the evaluation of the bids so as to determine the bid or combination of bids offering the lowest evaluated cost of the purchaser in deciding award(s) for each schedule.

26.2 The comparison shall be on CIP destination basis, duly delivered and commissioned (as the case may be) at the destination.

26.3 The purchaser's evaluation of a bid will include and take into account in addition to bid price and price of the incidental services.

- a. In the case of goods manufactured in India or goods of foreign origin already located in India, sales tax & other similar taxes and excise duty and other similar duties, which will be payable on the goods if a contract is awarded to the bidder and
- b. In the case of goods of foreign origin offered from abroad, customs duties and other similar import duties/taxes, which will be payable on the goods if contract is awarded to the bidder.

26.4 The purchaser's evaluation of bid will also take into account the following factors in the manner and to the extent specified in the **Schedule of Requirements** and amplified in ITB clause 26.5.

- a. Cost of inland transportation, insurance and other costs within India incidental to delivery of the goods to their final destination as stipulated in the Schedule of Requirements
- b. Delivery schedule offered in the bid
- c. The cost of components spare parts and service
- d. The availability of spare parts and after sale service in India for the goods offered in the bid
- e. The projected operating and maintenance cost during the life of the equipment.
- f. Specific additional criteria.

26.5 Pursuant to clause 26.4 following evaluation methods will be followed

a. Inland transportation, insurance and incidentals

Bidder shall quote separately for inland transportation, insurance and other incidentals for delivery of goods to the required destination as already indicated in the **Schedule of Requirements**. These costs incurred in India, shall be quoted in Indian currency. Such costs will be added by the purchaser to the EXW/CIF/CIP bid price.

b. Delivery schedule

The purchaser requires that the goods mentioned in the Schedule of Requirements shall be delivered at the destination within the time schedule specified therein. As and if necessary, the estimated time of arrival of goods from ex-works/port of entry to the destination will be calculated by the purchaser for each bid after allowing for reasonable transportation time based on the published tariff of Railways, appropriate Road Transport Agencies etc. Bids offering deliveries (as worked out on above lines), which are later than the specified delivery but within the allowable range (As specified in the **Schedule of Requirements**) will be adjusted during the evaluation by adding a factor equal to the percentage specified in the **Schedule of Requirements**, to the EXW/CIF/CIP price per week of variation from the specified delivery schedule.

c. Cost of components and spare parts.

i). The list of items and quantities of major assemblies, components and selected spare parts, likely to be required during the initial period of operation as specified in the Scheduled of Requirements is annexed to the Technical Specification. The total cost of these items, at the unit prices quoted in each bid, will be added to the bid price

OR

ii). The purchaser will draw up a list of high usage and high value items of components and spare parts, along with the estimated quantities of usage in

the initial period of operation as indicated in the **Schedule of Requirements**.

The total cost of these items and quantities will be computed from the corresponding unit prices quoted by the bidder and added to the bid price.

OR

iii). The purchaser will estimate the cost of spare parts usage in the initial period of

operation specified in the **Schedule of Requirements**, based on the information

furnished by each bidder purchaser in similar situations. Such costs shall be added in the bid price for evaluation.

- d. Availability of spare parts and after sales service facilities in India

The cost of the purchaser of establishing the required service facilities and parts inventories, as outlined in the **Schedule of Requirements** of elsewhere in the bidding documents, if quoted separately, shall be added to the bid price.

- e. The projected operating and maintenance cost during the life of the equipment.

These costs, which form a major portion of the life cycle cost of the equipment, will be evaluated in accordance with the criteria specified in the **Schedule of Requirements** and/or in the Technical specifications.

- f. Specific additional criteria

Other specific additional criteria to be considered in the bid evaluation and the corresponding evaluation method shall be incorporated in the **Schedule of Requirements** and in the Technical Specifications.

27. Bidder's capability to perform the contract

- 27.1 The purchaser will determine to its satisfaction whether the bidder, which is selected as having submitted the lowest evaluated responsive bid, is qualified and prima facie capable to perform the contract satisfactorily
- 27.2 The determination will take into account the bidder's financial, technical, and production capabilities for fulfilling all the requirements of the purchaser as specified in the bidding documents. The exercise will be based up on the examination of the documentary evidence of the bidder's qualifications submitted by the bidder, pursuant to ITB clauses 2 and 13, as well as such other allied information as the purchaser deems necessary and appropriate.
- 27.3 An affirmative determination will be a prerequisite for award of the contract to the bidder. A negative determination will result in rejection of the bidder's bid, in which event the purchaser will proceed to the next lowest evaluated bid to make a similar determination of the bidder's capabilities to perform satisfactorily.

28. Purchaser's right to vary quantities at the time of award

- 28.1 The purchaser reserves the right at the time of awarding the contract to increase or decrease by up to 25% the quantity of goods and services specified in the schedule of requirements without any change in the unit price or other terms and conditions.

29. Contacting the purchaser

- 29.1 From the time of the bid opening to the time of awarding the contract if a bidder wishes to contact the purchaser on any matter related to the bid, it should do so in writing.
- 29.2 Any effort by a bidder to influence the purchaser in the purchaser's decision on bid evaluation, bid comparison or contract award shall result in the rejection of the bidder's bid, besides other suitable administrative actions against the bidder as deemed fit by the purchaser.

F. AWARD OF CONTRACT

30. Award criteria

- 30.1 Subject to ITB clause 28, the purchaser will award the contract to the successful bidder whose bid has been determined as the lowest evaluated bid, provided further that the bidder is determined to be qualified and prima facie capable to perform the contract satisfactorily.

31. Purchaser's right to accept any bid and to reject any or all bids

- 31.1 The purchaser reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to the award of contract, without thereby incurring any liability whatsoever, to the affected bidder or bidders.

32. Notification of award

- 32.1 Before the expiry of the period of bid validity, the purchaser will notify the successful bidder in writing, by registered letter or by cable / fax/ telegram/ telex to be confirmed in writing by registered letter, that its bid has been accepted. The schedule(s) of requirement and the corresponding quantity of the item(s) ordered which have been accepted will inter alia be mentioned in the notification.
- 32.2 The notification of award will constitute the formation of the contract
- 32.3 Upon the successful bidder's furnishing the performance security, pursuant to ITB clause 34 the purchaser will promptly notify each unsuccessful bidder and will discharge its bid security pursuant to ITB clause 15.

33. Signing of contract

- 33.1 At the same time as purchaser notifies the successful bidder that its bid has been accepted, the purchaser will send to the bidder by registered post or speed post, the contract form provided in the bidding documents, incorporating all agreements between the parties.
- 33.2 Within twenty-one (21) days of issue of the contract form by the purchaser, the successful bidder shall sign and date the contract and return it to the purchaser by registered post or speed post.

34. Performance security

- 34.1 Within twenty one (21) days of the issue of notification of award by the purchaser, the successful bidder shall furnish the performance security in accordance with and as per the instructions incorporated in the general conditions of contract with regard to performance security.
- 34.2 Failure of the successful bidder to comply with the requirement of clause 33 or clause 34 shall constitute sufficient grounds for annulment of the award and forfeiture of the bid security, in which event the purchaser may make the award to the next lowest evaluated bidder or call for new bids.

5. Use of contract documents and information

- 5.1 The supplier shall not without the purchaser’s prior written consent, disclose the contract or any provision thereof or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the purchaser in connection therewith to any person other than a person employed by the supplier in the performance of the contract. Also, disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for the purposes of such performance.
- 5.2 The supplier shall not without the purchaser’s prior written consent, make use of any document or information enumerated in GCC sub-clause 5.1 except for the purposes of performing the contract.
- 5.3 Every document other than the contract itself, mentioned in GCC sub clause 5.1 shall remain the property of the purchaser and shall be returned (in all copies) to the purchaser on completion of the supplier’s performance under the contract, if so required by the purchaser.

6. Patent rights

- 6.1 The supplier shall at all times identify the purchaser, free of cost, against all third party claims of infringement of patent, trade mark or industrial design rights arising from use of the goods or any part thereof in India.

7. Performance security

- 7.1 Within 21 (twenty one) days after the issue of notification of award by the purchaser, the supplier, shall furnish performance security to the purchaser for an amount of 10% (ten per cent) of the contract value, valid upto 60 (sixty) days after the date of completion of all contractual obligations by the supplier including the warranty obligations.

- 7.2 In the event of any correction of defects or a replacement of defective material during the warranty period the warranty for the corrected/replaced material shall be extended to a further period of twelve months from the date of the correction/replacement and the Performance Security for the proportionate value (which will be determined by the purchaser in consultation with the supplier) shall be extended by 60 (sixty) days over and above the extended warranty period.
- 7.3 In the event of any contract amendment the supplier shall, within 21 (twenty one) days of issue of such amendment furnish the necessary amendment to the performance security, rendering the same valid in all respects in terms of the contract as amended.
- 7.4 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete its obligations under the contract.
- 7.5 The performance security shall be denominated in Indian Rupees or in the currency of the contract and shall be in one of the following forms.
- a. Cash in Indian currency
 - b. Demand Draft on any scheduled commercial bank in India, to be drawn in favour of the purchaser as indicated in the Schedule of Requirements.
 - c. Bank Guarantee issues by a scheduled commercial bank in India, in the prescribed form as provided in section VII/4 of this bidding document.
- 7.6 Subject to GCC sub-clause 7.4 above, the performance security will be discharged by the purchaser and returned to the supplier on completion of the supplier's contractual obligations including the warranty obligations under the contract.

8. Inspection and tests

- 8.1 The purchaser and/or its nominated representative(s) shall have the right to inspect and /or to test the goods to confirm their conformity to the contract specification and other technical details incorporated in the contract at no extra cost to the purchaser. **The Schedule of Requirements** and the Technical specification incorporated in the bidding document, shall specify what inspections and tests the purchaser requires and where and how they are to be conducted. The purchaser shall notify in advance the supplier in writing of the identify of any representative(s) for this purpose.
- 8.2 The inspections and tests may be conducted on the premises of the supplier or its subcontractor(s), at the point of delivery and /or at the goods final destination. If conducted on the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data shall be furnished by the supplier to the inspectors at no charge to the purchaser.
- 8.3 Should any inspected or tested goods fail to conform to the required specifications and standards, the purchaser may reject them and the supplier shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards as required free of cost to the purchaser and resubmit the same to the purchaser for conducting the inspections and tests again.

- 8.4 Where the contract stipulates pre-despatch inspection by the purchaser's nominated inspecting agency, the supplier shall put up the goods for inspection to the inspecting agency well ahead of time so that the inspecting agency is able to complete the inspection within the stipulated delivery period. If the goods are tendered for inspection at the last moment without providing reasonable time to the inspection agency for completing the inspection, the inspecting agency may carry out the inspection and complete the formality beyond the contractual delivery period at the risk and expense of the supplier. The fact that the items have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to the purchaser under the terms and conditions of the contract.
- 8.5 The purchaser's right to inspect test and where necessary reject the goods after the goods arrival at the final destination shall in no way be limited or waived by reason of the goods having previously been inspected, tested and passed by purchaser or its representative prior to the despatch of the goods from the country of origin or from the supplier's premises.
- 8.6 Nothing in GCC clause 8 shall, in any way, release the supplier from any warranty or other obligations under the contract.

- 22.4 The supplier shall not despatch the goods after expiry of the delivery period. The supplier is required to apply to the purchaser for extension of delivery period and obtain the same before despatch. In case the supplier despatches the goods without obtaining an extension, it would be doing so at its own risk and no claim for payment for such supply and/or any other expense related to such supply shall lie against the purchaser.

23. Liquidated damages

- 23.1 Subject to GCC clause 25, if the supplier fails to deliver any or all of the goods or perform the services within the time period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to 0.5% (half per cent) of the delivered price of the delayed goods or unperformed services for each week of delay or part thereof until actual delivery or performance up to a maximum deduction of 10% (ten percent) of the delayed goods or services' contract price. Once the maximum is reached the purchaser may consider termination of the contract, if the same have not been terminated already.

Further, during the above mentioned delayed period of supply and/ or performance, the supplier, notwithstanding any stipulation in the contract for increase in price for any ground, shall not be entitled to any increase in price and cost, whatsoever, which take place during the period of delay. But, nevertheless, the purchaser shall be entitled to the benefit any decrease in price and cost on any ground during that period of delay.

24. Termination for default

- 24.1 The purchaser, without prejudice to any other remedy for breach of contract, may be written notice of default sent to the supplier, terminate the contract in whole or in part, if the supplier fails to deliver any or all of the goods or fails to perform any other contractual obligations(s) within the time period specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC clause 22.
- 24.2 In the event the purchaser terminates the contract in whole or in part, pursuant to GCC sub-clause 24.1, the purchaser may procure, upon such terms and conditions and in such manner as it deems appropriate, goods and /or services similar to those undelivered and the supplier shall be liable to the purchaser for any excess cost for such similar goods and/or services. However, the supplier shall continue to perform the contract to the extent not terminated.

25. Force Majeur

- 25.1 Notwithstanding the provisions of GCC clauses 22, 23 and 24, the supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.
- 25.2 For purposes of this clause, "Force Majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

25.3 If a Force Majeure situation arises, the supplier shall promptly notify the purchaser in writing of such conditions and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

26. Termination for insolvency

26.1 If the supplier becomes bankrupt or otherwise, the purchaser may terminate the contract by giving written notice to the supplier, without any compensation to the supplier, provided, that such termination will not prejudice or affect any right of action or remedy which has accrued and /or will accrue thereafter to the purchaser.

27. Termination for convenience

27.1 The purchaser, by written notice sent to the supplier, may terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the purchaser's convenience, the extent to which performance of the supplier under the contract is terminated, and the date with effect from which such termination becomes effective.

27.2 The goods that are complete and ready for shipment within 30 (thirty) days after the supplier's receipt of notice of termination shall be accepted by the purchaser at the contract terms and prices. For the remaining goods the purchaser may elect:

- a. to have any portion completed and delivered at the contract terms and prices and /or
- b. to cancel the remainder and pay to the supplier an agreed amount for partially completed goods and services and for materials and parts already procured by the supplier for fulfilling the contractual obligations.

28. Resolution of disputes

28.1 If any dispute or difference of any kind shall arise between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.

28.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given.

28.3 Any dispute or difference, in respect of which a notice of intention to commence arbitration has been given in accordance with GCC sub-clause 28.2, shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the goods under the contract.

28.4 The dispute resolution mechanism to be applied pursuant to GCC sub clause 28.3 shall be as follows.

- a. In the case of a dispute or difference arising between the purchaser and the supplier relating to any matter arising out of or connected with the contract, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act 1996. The arbitral tribunal shall consist of three arbitrators, one each to be appointed by the purchaser and the supplier. The two arbitrators so appointed by the parties and shall act as presiding arbitrator shall choose the third arbitrator. In case of failure of the two arbitrators appointed by the parties to reach upon a consensus within a period of thirty days from the appointment of the arbitrator appointed subsequently the presiding arbitrator shall be appointed by the Indian Council of Arbitration or President of the Institution of Engineers (India).
- b. The decision of majority of arbitrators shall be final and binding upon both the parties.
- c. The cost and expenses of the arbitration proceedings will be paid as determined by the arbitral tribunal. However, the expenses incurred by each party in connection with the preparation, presentation etc. of its proceedings as also fees and expenses paid to the arbitrator appointed by such party or on its behalf shall be borne by each party itself.

28.5 However, where the value of the contract is Rs.15 lakhs (Rupees one and a half million) and below, the disputes or differences arising in it shall be referred to a sole arbitrator. The sole arbitrator shall be appointed by mutual agreement between the parties. If the parties fail to agree on the arbitrator within 30 (thirty) days from the receipt of a request by one party from the other party to so agree, the appointment shall be made upon request of a party, by the Indian Council of Arbitration or the President of the institution of Engineers (India).

28.6 The venue of arbitration shall be the place from where the contract is issued.

29. Governing language

29.1 The contract shall be written in English language. All correspondence and other documents pertaining to the contract, which the parties exchange, shall also be written in English.

30. Applicable law

30.1 The contract shall be interpreted in accordance with the laws of India

31. Notices

31.1 Any notice given by one party to the other pursuant to the contract shall be sent in writing or by cable telex or facsimile and confirmed in writing to the addresses specified in the **Schedule of Requirements**.

31.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

32. Taxes and duties

- 32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees and other such levies imposed outside India.
- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc. incurred until delivery of the contracted goods to the purchaser.
- 32.3 Further instruction, if, any shall be as provided in the **Schedule of Requirements**.

SECTION –V
TECHNICAL SPECIFICATION
AND QUALITY CONTROL REQUIREMENTS

Specifications for Equipments.

A. Soil Moisture Meter.

- q **Measurement range:** 0-100% VSW (Volumetric Soil Water Content) up to 90 cm depth, suitable for crack forming black soils.
- q **Accuracy:** 1 VSW %
- q **Response Time:** Less than 1.0 sec.
- q **Stabilization Time:** 3 Sec.
- q **Analogue output signal:** 0-1200 mV
- q **Resolution:** 0.1 VSW%.
- q **Display:** 1 line 16 character LCD .
- q **Accessories:** Complete with moisture probe, Display meter, Steel Extension Rod, Moisture Meter carry case & Auger.

B. Soil Core Sampler.

- q Soil core sampler suitable for extracting intact soil cores from clay to clay loam Vertisols for the purpose of measuring bulk density and other soil physical properties and fine root distribution. The diameter of core should be 50 to 60 mm which should held in a brass cylinder. The sampler should supplied complete with two wedge coring tips, driving hammer, core extractor, spanner and strap wrench for replacing coring tips, cylinder caps, and brass cylinders; one 60 mm long, two 30mm long, and two 10mm long.

C. Guelph Permeameter.

The portable light weight instruments suitable for accurate measurements of hydraulic conductivity, soil sorbtivity and soil matrix flux potential in vertisols

Test Time: ½ -2 hours, Test Depth: 15 to 75 cm (0.5 to 2.5 ft), Hydraulic Conductivity Range: 10 to the power of -4 to -10 to the power of 8m/sec (10 to-2 to 10-6 cm/sec)

The equipment shall be supplied as kit complete with Field Tripod, Well Auger, Well Tripod, Preparation Tool, Hand Pump, Collapsible Water Container, Intruccion Book, Carrying case, Permeameter should be made of high impact polycarbonate. The Auger should be of about 50 mm diameter and made of machined steel. Other accessories and spares may include Air Tube Coupling, Guelph Permeameter Extension Kit, Mud and Sand Augers.

Other desirable features:

- q Well Head Scale provides easy selection of an infinite number of precision Well Head Heights.

- q Flexible, resilient moulded base and reservoir caps ensure trouble-free water tight fit for quick on site assembly.
- q High Impact Polycarbonate reservoir and body tubes, provide clear, unbreakable elements.
- q Inner reservoir tube is scaled in precise mm graduations assuring accurate measurement of flow values.
- q Two-way valve control dual reservoir water supply for investigating low permeability in clay soils or high permeability in coarse silts and sands.
- q Precision air inlet tip stabilizer air entry, eliminating well head fluctuation.
- q Ribbed Well outlet fitting for efficient water filling of well heights without destructive turbulence or overflow.

D. Differential GPS.

GPS Base receiver, GPS Rover receiver, Geodetic Antenna for Base and A3 Antenna for Rover, Stand and Tribrach for holding Base and Rover GPS Antenna. Batteries and charger for Base and Rover GPS.
